OK I updated the document to include indoor and outdoor regarding CTEH. As for the claims specifics that information will be disseminated in other formats.

Approved?

Yes,  
Re assessment... either way, just making sure we are clear whether its indoors and outdoors or just outdoors. And then the word fence line (2 words).  
Thanks

Adam – in this release, since it is so meaty, we thought we would reiterate air monitoring in the next news release as well as at Media Availability this afternoon. You ok with that?

As for your assessment questions, are you referencing CTEH or the claims process?

Thank you,

Haley,  
I hit send to soon.

Should we also distinguish if the assessments will be indoors and outdoors or just outdoors?  
Should fenceline be two words, fence line?

Thanks  
Adam
